1                   II.  
2**MOTION TO COMPEL DISCOVERY/PRESERVE EVIDENCE**

3                   Mr. Rivas moves for the production of the following discovery. This request is not limited to  
4 those items that the prosecutor knows of, but rather includes all discovery listed below that is in the custody,  
5 control, care, or knowledge of any “closely related investigative [or other] agencies.” See United States v.  
6 Bryan, 868 F.2d 1032 (9th Cir.), cert. denied, 493 U.S. 858 (1989).

7                   (1) The Defendant’s Statements. The Government must disclose to the defendant all copies  
8 of any written or recorded statements made by the defendant; the substance of any statements made by the  
9 defendant which the Government intends to offer in evidence at trial; any response by the defendant to  
10 interrogation; the substance of any oral statements which the Government intends to introduce at trial and any  
11 written summaries of the defendant’s oral statements contained in the handwritten notes of the Government  
12 agent; any response to any Miranda warnings which may have been given to the defendant; as well as any  
13 other statements by the defendant. Fed. R. Crim. P. 16(a)(1)(A). The Advisory Committee Notes and the  
14 1991 amendments to Rule 16 make clear that the Government must reveal all the defendant’s statements,  
15 whether oral or written, regardless of whether the government intends to make any use of those statements.

16                   (2) Arrest Reports, Notes and Dispatch Tapes. The defendant also specifically requests the  
17 Government to turn over all arrest reports, notes, dispatch or any other tapes, and TECS records that relate  
18 to the circumstances surrounding his arrest or any questioning. This request includes, but is not limited to,  
19 any rough notes, records, reports, transcripts or other documents in which statements of the defendant or any  
20 other discoverable material is contained. Such material is discoverable under Fed. R. Crim. P. 16(a)(1)(A)  
21 and Brady v. Maryland, 373 U.S. 83 (1963). The Government must produce arrest reports, investigator’s  
22 notes, memos from arresting officers, dispatch tapes, sworn statements, and prosecution reports pertaining  
23 to the defendant. See Fed. R. Crim. P. 16(a)(1)(B) and (C), Fed. R. Crim. P. 26.2 and 12(I).

24                   (3) Brady Material. The defendant requests all documents, statements, agents’ reports, and  
25 tangible evidence favorable to the defendant on the issue of guilt and/or which affects the credibility of the  
26 Government’s case. Under Brady, impeachment as well as exculpatory evidence falls within the definition  
27 of evidence favorable to the accused. United States v. Bagley, 473 U.S. 667 (1985); United States v. Agurs,  
28 427 U.S. 97 (1976).

1                             (4) Any Information That May Result in a Lower Sentence Under The Guidelines. The  
 2 Government must produce this information under Brady v. Maryland, 373 U.S. 83 (1963). This request  
 3 includes any cooperation or attempted cooperation by the defendant as well as any information that could  
 4 affect any base offense level or specific offense characteristic under Chapter Two of the Guidelines. The  
 5 defendant also requests any information relevant to a Chapter Three adjustment, a determination of the  
 6 defendant's criminal history, and information relevant to any other application of the Guidelines.

7                             (5) The Defendant's Prior Record. The defendant requests disclosure of his prior record. Fed.  
 8 R. Crim. P. 16(a)(1)(B).

9                             (6) Any Proposed 404(b) Evidence. The government must produce evidence of prior similar  
 10 acts under Fed. R. Crim. P. 16(a)(1)(C) and Fed. R. Evid. 404(b) and 609. In addition, under Rule 404(b),  
 11 "upon request of the accused, the prosecution . . . shall provide reasonable notice in advance of trial . . . of the  
 12 general nature . . ." of any evidence the government proposes to introduce under Fed. R. Evid. 404(B) at trial.  
 13 The defendant requests that such notice be given three (3) weeks before trial in order to give the defense time  
 14 to adequately investigate and prepare for trial.

15                             (7) Evidence Seized. The defendant requests production of evidence seized as a result of any  
 16 search, either warrantless or with a warrant. Fed. R. Crim. P. 16(a)(1)(C).

17                             (8) Request for Preservation of Evidence. The defendant specifically requests the preservation  
 18 of all dispatch tapes or any other physical evidence that may be destroyed, lost, or otherwise put out of the  
 19 possession, custody, or care of the Government and which relate to the arrest or the events leading to the arrest  
 20 in this case.

21                             (9) Tangible Objects. The defendant requests the opportunity to inspect and copy as well as  
 22 test, if necessary, all other documents and tangible objects, including photographs, books, papers, documents,  
 23 fingerprint analyses, vehicles, or copies of portions thereof, which are material to the defense or intended for  
 24 use in the Government's case-in-chief or were obtained from or belong to the defendant. Fed. R. Crim. P.  
 25 16(a)(2)(C). Specifically, the defendant requests to view the A-File.

26                             (10) Evidence of Bias or Motive to Lie. The defendant requests any evidence that any  
 27 prospective Government witness is biased or prejudiced against the defendant, or has a motive to falsify or  
 28 distort his or her testimony.

1                   (11) Impeachment Evidence. The defendant requests any evidence that any prospective  
 2 Government witness has engaged in any criminal act whether or not resulting in a conviction and whether any  
 3 witness has made a statement favorable to the defendant. See Fed R. Evid. 608, 609 and 613; Brady v.  
 4 Maryland, supra.

5                   (12) Evidence of Criminal Investigation of Any Government Witness. The defendant requests  
 6 any evidence that any prospective witness is under investigation by federal, state or local authorities for any  
 7 criminal conduct.

8                   (13) Evidence Affecting Perception, Recollection, Ability to Communicate, or Truth Telling.  
 9 The defense requests any evidence, including any medical or psychiatric report or evaluation, that tends to  
 10 show that any prospective witness' ability to perceive, remember, communicate, or tell the truth is impaired,  
 11 and any evidence that a witness has ever used narcotics or other controlled substance, or has ever been an  
 12 alcoholic.

13                  (14) Witness Addresses. The defendant requests the name and last known address of each  
 14 prospective Government witness. The defendant also requests the name and last known address of every  
 15 witness to the crime or crimes charged (or any of the overt acts committed in furtherance thereof) who will  
 16 not be called as a Government witness.

17                  (15) Name of Witnesses Favorable to the Defendant. The defendant requests the name of any  
 18 witness who made an arguably favorable statement concerning the defendant or who could not identify him  
 19 or who was unsure of his identity, or participation in the crime charged.

20                  (16) Statements Relevant to the Defense. The defendant requests disclosure of any statement  
 21 relevant to any possible defense or contention that he might assert.

22                  (17) Jencks Act Material. The defendant requests production in advance of trial of all  
 23 material, including dispatch tapes, which the government must produce pursuant to the Jencks Act, 18 U.S.C.  
 24 § 3500. Advance production will avoid the possibility of delay at the request of defendant to investigate the  
 25 Jencks material. A verbal acknowledgment that "rough" notes constitute an accurate account of the witness'  
 26 interview is sufficient for the report or notes to qualify as a statement under § 3500(e)(1). Campbell v. United  
 27 States, 373 U.S. 487, 490-92 (1963). In United States v. Boshell, 952 F.2d 1101 (9th Cir. 1991) the Ninth  
 28 //

1 Circuit held that when an agent goes over interview notes with the subject of the interview the notes are then  
2 subject to the Jencks Act.

3 (18) Giglio Information. Pursuant to Giglio v. United States, 405 U.S. 150 (1972), the  
4 defendant requests all statements and/or promises, express or implied, made to any Government witnesses,  
5 in exchange for their testimony in this case, and all other information which could arguably be used for the  
6 impeachment of any Government witnesses.

7 (19) Agreements Between the Government and Witnesses. The defendant requests discovery  
8 regarding any express or implicit promise, understanding, offer of immunity, of past, present, or future  
9 compensation, or any other kind of agreement or understanding, including any implicit understanding relating  
10 to criminal or civil income tax, forfeiture or fine liability, between any prospective Government witness and  
11 the Government (federal, state and/or local). This request also includes any discussion with a potential  
12 witness about or advice concerning any contemplated prosecution, or any possible plea bargain, even if no  
13 bargain was made, or the advice not followed.

14 (20) Informants and Cooperating Witnesses. The defendant requests disclosure of the names  
15 and addresses of all informants or cooperating witnesses used or to be used in this case, and in particular,  
16 disclosure of any informant who was a percipient witness in this case or otherwise participated in the crime  
17 charged against Mr. Rivas. The Government must disclose the informant's identity and location, as well as  
18 disclose the existence of any other percipient witness unknown or unknowable to the defense. Roviaro v.  
19 United States, 353 U.S. 53, 61-62 (1957). The Government must disclose any information derived from  
20 informants which exculpates or tends to exculpate the defendant.

21 (21) Bias by Informants or Cooperating Witnesses. The defendant requests disclosure of any  
22 information indicating bias on the part of any informant or cooperating witness. Giglio v. United States, 405  
23 U.S. 150 (1972). Such information would include what, if any, inducements, favors, payments or threats were  
24 made to the witness to secure cooperation with the authorities.

25 (22) Government Examination of Law Enforcement Personnel Files. Mr. Rivas requests that  
26 the Government examine the personnel files and any other files within its custody, care or control, or which  
27 could be obtained by the government, for all testifying witnesses, including testifying officers. Mr. Rivas  
28 requests that these files be reviewed by the Government attorney for evidence of perjurious conduct or other

1 like dishonesty, or any other material relevant to impeachment, or any information that is exculpatory,  
2 pursuant to its duty under United States v. Henthorn, 931 F.2d 29 (9th Cir. 1991). The obligation to examine  
3 files arises by virtue of the defense making a demand for their review: the Ninth Circuit in Henthorn remanded  
4 for in camera review of the agents' files because the government failed to examine the files of agents who  
5 testified at trial. This Court should therefore order the Government to review all such files for all testifying  
6 witnesses and turn over any material relevant to impeachment or that is exculpatory to Mr. Rivas prior to trial.  
7 Mr. Rivas specifically requests that the prosecutor, not the law enforcement officers, review the files in this  
8 case. The duty to review the files, under Henthorn, should be the prosecutor's. Only the prosecutor has the  
9 legal knowledge and ethical obligations to fully comply with this request.

10 (23) Expert Summaries. Defendant requests written summaries of all expert testimony that  
11 the government intends to present under Federal Rules of Evidence 702, 703 or 705 during its case in chief,  
12 written summaries of the bases for each expert's opinion, and written summaries of the experts' qualifications.  
13 Fed. R. Crim. P. 16(a)(1)(E). This request includes, but is not limited to, fingerprint expert testimony.

III.

**NOTICE OF MENTAL DEFENSE AND EXPERT TESTIMONY OF DEFENDANT'S MENTAL CONDITION**

22 It is anticipated at this time that should this case proceed to trial, the defense will call an expert  
23 to testify regarding Mr. Rivas's mental condition at the time of his arrest. As more information is received,  
24 it will be turned over to the government, but at this time this will serve as notice pursuant to Federal Rules  
25 of Criminal Procedure, Rule 12.2(b).

1                                  IV.

2                                  **REQUEST FOR LEAVE TO FILE FURTHER MOTIONS**

3                                  Mr. Rivas and defense counsel have not received ANY discovery in this case. As new  
4 information comes to light, the defense may find it necessary to file further motions. Therefore, defense  
5 counsel requests the opportunity to file further motions for these reasons.

6                                  V.

7                                  **CONCLUSION**

8                                  For the reasons stated above, Mr. Rivas respectfully requests that this Court grant the foregoing  
9 motions.

10                                 Respectfully submitted,
